WHS, HSEQ & ISO MANAGEMENT SYSTEM SERVICES

iHSEQ is a specialist HSEQ consultancy delivering practical work health and safety, environmental and quality management solutions to the construction, trades and maintenance sectors. We help organisations design, implement and maintain ISO 9001 (Quality), ISO 14001 (Environmental) and ISO 45001 (Safety) management systems, develop compliant SWMS and safety documentation, and achieve contractor prequalification through schemes such as CM3 and Avetta. Backed by Exemplar Global-certified lead auditors, we deliver practical, audit-ready solutions tailored to the painting and decorating trade - not generic templates.
